We are pleased to announce the production of two new bear traps!

The first is a limited edition of the "Northwest Terr. Fur Co" trap. Only 100 of these traps were produced in 1980. We have procured the original dies and have cast the jaws and pan in bronze. This trap is rare and is a beauty. Few antique brass or bronze traps have survived to be on the market today. History suggests that they may have been the first run of a new series or may have been made for the trap salesman to help show off his wares.

There will only be 400 of these traps made. Each will have its own serial number stamped on the frame to the right of the pan. These traps are completely made in the U.S. using only the finest materials and workmanship.

Those who have purchased our #6 trap (American Fur and Trade) with serial numbers under 400 will have preference for a matching number. Other number requests will be honored on a first come basis.

Prices for the bronze "Northwest Terr. Fur Co." are:

	1-3 TRAPS	4-5 TRAPS	MORE THAN 5 TRAPS**
Northwest Terr. Fur Co.	\$400.00 each	\$325.00 each	\$300.00 each

*Above prices are postage paid! All orders shipped via UPS.

The second new trap is the "Denali Fur and Trade Co.", a size #15 trap. It replaces our Mackenzie #15, which we have retired. The Denali has the same stout springs, offset jaws, and high quality craftsmanship that you have found on the Mackenzie.

Prices on the Denali and our American Fur and Trade Co. #6 are as follows:

TRAP	1-3 TRAPS	4-5 TRAPS	6 + TRAPS
Denali Fur & Trade	\$245.00 each	\$190.00 each	\$175.00 each
American Fur & Trade	\$370.00 each	\$275.00 each	\$255.00 each

To get the best prices, you can mix or match between these traps. These prices also are postpaid. The bronze trap is **not part of this discount. Dealers call for special prices.

We also have the collectors special!

This special is three traps with matching serial numbers. It includes the Northwest Territory fur, American Fur and Trade, and our newest #15, the Denali Fur and Trade trap. Purchased individually, they would cost \$1015.00. For a limited time this set of traps will be \$790.00.
